Dear Ms Mayor,

Ajka, 26 June 2024

We are waiting our twin towns (Rovaniemi, Székelykeresztúr, Unna, Weiz) again in this year between 18-21 August on the occasion of the traditional Twin Town Meeting in Ajka. On this occasion I invite the official delegation of Rovaniemi city with 3 persons with arrival to Ajka at 18 August.

On the Twin Town Meeting Chortkiv town from Ukraine is represented itself too because we are planning an European Solidarity Day on 19th August where a twin town agreement will be signed between Chortkiv and Ajka towns.

There will be a part of the meeting, on 19 August a maximum 10 minutes presentation per twin town where the representative of a twin town will show each other the events, developments of the past year and the visions for the future.

Later in the day we are planning a short visit to the Somló wine region and then we are going to organize a ball in honour of our twin towns. On 20th August we are planning a trip to lake Balaton.

The detailed program of the Twin Town Meeting will be send at the end of July. I hope we can greet each other personally in August.

Yours sincerely,

Béla Schwartz
mayor
